LOOKS SUSPICIOUS.

Better Let Well Enough Alone.

The city papers are publishing the statement that there is a probability of there being a called session of the Legislature to consider an amendment to the Capitol Appropriation Law, allowing a change of location for the proposed building. We earnestly hope that this will not be done.

At the last session of the Legislature a bill, looking to the same end, was introduced, and could easily have been passed, but the friends of the original measure were unwilling to open up the question, however desirable it might have been to have the amendment adopted. They came to the conclusion that it was best to let well enough alone. After all these years, in which this matter has been fought over, it was earnestly hoped that the question was finally determined. To thus re-open it, at this late date, is a very dangerous proceeding.

It is urged as a ground for the project that there is not room to erect the right kind of buildings upon the present site. That is all rot. The capitol of the State of New York is a much larger building than is necessary for this State, and cost enormously more than is proposed to be expended upon ours, and yet the ground occupied is not a bit larger, if as large, as that upon which our building is to be placed. The Missouri and Arkansas Capitols are upon just about the same quantity of ground that ours will occupy.

Again we say, "better let well enough alone." It looks very suspicious.

SUCCESSFUL OPERATION.

Judge A. Rollins Burnam took his son, Mr. Lucien Burnam, to Louisville on Monday, and he was operated upon on Wednesday, for appendicitis. The operation was a decided success, and Mr. Burnam is doing very nicely.

PROPERTY SOLD.

On Wednesday last Dr. S. B. Holmes' property, on West Wapping street, was offered for sale. Dr. S. E. James bid \$7,500 for the whole property, which bid was rejected.

The three vacant lots were then sold to Dr. E. E. Hume for \$3,100. Dr. Holmes held the whole property at \$8,000.

A NEW ENTERPRISE.

Two highly educated and accomplished young ladies, Miss Katherine Elizabeth Seearce and Miss Rosalie Pauline Seearce, have made arrangements to open up a first class academy at Bagdad, Ky., to be known as "Shelby Institute." These young ladies are in every way competent to teach the branches they propose to embrace in their curriculum, viz: Mathematics, English, Latin, Greek, German, French, Natural Science and History.

They are daughters of Mr. George T. Seearce, himself a teacher of prominence. We wish them all success in their new field.

A GOOD DEED OF CHARITY.

The Captain of the Salvation Army, with the assistance of Rev. M. B. Adams, took one of those girls from Long Ave., who was dying with consumption, to her sister's home at Old Christiansburg. The trip was a tiresome one to her, taking us from 7 a. m. to 2 p. m., but by God's help and careful driving we arrived all O. K. This is the kind of work the Salvation Army loves to do. Many thanks to our Mayor for his help.

WAIT FOR IT—DON'T FORGET IT.

The Young Ladies Aid Society of the First Baptist Church will run an excursion on the Falls City some time about the middle of August. The exact date will be given later. The excursion will go to Tyrone or probably beyond that point. The rate for the round trip will be very low. A nice and pleasant trip is assured. Wait for it.

LIKE DAISIES BEFORE THE SCYTHE.

Baby lives are destroyed in summer by cholera infantum. The attack of the disease is sudden, its progress is sometimes terribly rapid. Mothers who have given their children Perry Davis' Painkiller can tell how this treatment has checked the diarrhea and vomitings, and put the little patient out of danger. 25 and 50 cts.

IN NEED OF MORE FUNDS.

By the following it will be seen that the Finance Committee of the Fourth of July celebration is in need of more funds:

The expenses of the Fourth of July celebration were greater by about \$75 than was provided for or anticipated, and the finance committee now finds itself in need of this amount to close up outstanding accounts. We make an appeal to those who did not contribute to the original fund, and ask them to come to our aid, and thus save the committee the necessity of a further canvass of the city. Send any subscription to either member of the committee, and receive our thanks.

Y. M. C. A. SOCIALS.

A series of socials will be given at the Y. M. C. A., through the summer, by the different churches in the city. The first was given by the First Presbyterian Church last Thursday, July 21. It was, owing to the inclement weather, not very largely attended. The ladies furnished ices and cakes for refreshments, which are very acceptable these warm nights. Each occasion will be as informal as possible, the entertainments will be music, solos, duets and quartets, all the popular music of the day.

Besides games, the young ladies will be on hand to entertain. Every young man is invited and everything is absolutely free and open. Come and enjoy a cool drink and a chat with the fairer sex.

MISTAKEN.

In our notice, last week, of the fact that Mr. Darsie was the only pastor of a Frankfort church to die in the pastorate, we had forgotten the fact that Rev. S. E. Jones, pastor of the Southern Presbyterian Church, had died while the incumbent of the position. Mr. Jones was a very eloquent and splendid young preacher, who gave great promise for the future, but was called hence after only a short pastorate.

Our attention was called to this by our friend, Miss Florence Payne.

FRANKLIN BAPTIST ASSOCIATION.

Frankfort, Ky.

July 18, 1904.
The Franklin Association of Baptist Churches will convene with the First Baptist Church of Frankfort, on Wednesday and Thursday, the 24th and 25th days of August, 1904. Pursuant to an order made at the session of the Association in 1903, at Pleasant Ridge Church, it was thought advisable that a central, convenient and permanent place for the meetings of the Association be provided, and that the church, with which the meetings be held under this arrangement, be relieved of all the care and necessity of providing entertainment for the messengers and visitors, and this meeting is to be held under that provision. Ample room will be provided by the Frankfort Church in its former chapel for all visitors and messengers to spread lunch, etc. At a meeting of the Executive Board of the Association, held this day, this arrangement was unanimously adopted, and by virtue of that arrangement, the place of the meeting the ensuing session was determined as at Frankfort. The Frankfort church, having previously tendered the use of their building for the above purposes and under above conditions also. The following resolution was unanimously adopted:

Resolved, That a committee of four, viz: J. E. Kirtley, Jas. A. Scott, N. R. Armstrong and E. R. Jones, with the pastor of the Frankfort Church, as ex officio, be appointed, whose duty it shall be to formulate a plan, and present it to the next meeting of the Association, whereby a suitable, central place, may be selected, and all other necessary arrangements for the consideration of the Association.

Resolved, That the Moderator of the Association be requested to give due notice of the above through the Frankfort papers, the Baptist Argus and Recorder.

U. V. WILLIAMS,
Moderator Franklin Association.

GREAT STRIKE SETTLED.

The big Chicago butchers' strike, which involved some 55,000 men, and was likely to involve as many more, was settled, on Wednesday night, by both sides agreeing to arbitration, and binding themselves to stand by the award.

This is a happy solution of a very unhappy situation.

WILL CURE STOMACH ACHE IN FIVE MINUTES.

This is just what Painkiller will do; try it. Have a bottle in the house for instant use, as it will save you hours of suffering. Watch out that the dealer does not sell you an imitation, as the great reputation of Painkiller (Perry Davis') has induced many people to try to make something to sell, said to be "just as good as the genuine."

FINDS GIRL WHO SAVED HIM.

As the culmination of a war-time romance, Lieut. H. R. Merrill, of Geneva, has gone to Charleston, Mo., to marry Mrs. R. A. Campbell. During the fall of 1922 Lieut. Merrill was stationed near Charleston. A young girl came from her father's farm and warned the sprightly officer that Gen. Morgan was sending a superior force to effect his capture. He escaped one hour ahead of his enemies. From that time to this the two have never seen each other. It was but a few weeks ago he located her and a correspondence sprang up which has the wedding as its climax.—Des Moines, Ia. Telegram to the Chicago Chronicle.

CLIMATIC CURES.
The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, and the rich patient too, can do much better at home by proper attention to food digestion, and a regular use of German Syrup. Free expectation in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer climate, you will find that of the thousands of consumptives there, the few who are benefited and regain strength are those that use German Syrup. Trial bottle, 25c; regular size, 15c. At all druggists. 1 yr.

MISTAKE IN PLOWING.

While talking to a Leader man, a Fayette farmer said: "Do you know that many farmers made a big mistake last spring in plowing up where bad looking wheat fields? Yes, they did, as we can now see. I know one man who plowed up sixty acres and put it in corn because the wheat looked so bad. Another one got ready to plow up a hundred acres that looked mighty thin and bad, promising to be a failure. But he finally concluded to let it alone and see what it would do. The fine spring rains came on and the field came out finely and lately he reaped thirty bushels to the acre. It seems that much of the grain laid dormant in the ground, not sprouting up and shooting out until after the spring rains came on."

COLLEGES CONSOLIDATED.

Two Baptist colleges located in the southeastern part of Kentucky, which have been heretofore strong rivals, have consolidated into one, to be known as Oneida Baptist Institute and located at Oneida, Clay county. This is a result of the efforts of the committee, consisting of J. K. Nunnally, chairman, Georgetown; M. B. Adams, Frankfort, and A. F. Baker, Jellico, appointed by the General Association to reconcile these two Baptist colleges located in the same county—Clay, one at Oneida, known as Mamie College, and the other located at Burning Springs, known as Lorenia College.

CRAWL FOR APPENDICITIS.

German medical journals are recommending a new and peculiar method for appendicitis, the employment of which, it is declared, will obviate the necessity for the use of the knife in the great majority of cases.
This remedy consists in walking on all fours twenty minutes four times a day. A contemporary states that this method is not only original, but almost aboriginal. However this may be, the method is certainly worthy of consideration. This method of treatment operates by strengthening the abdominal muscles. When the muscles have relaxed the bowels become displaced, congested and diseased; the disease extends to the appendix and thus an inflammation is produced.
It is claimed that a well-known German diplomat has been recently cured of appendicitis by this method.

A THIN ARGUMENT.

The argument is gravely made that there is not room enough to erect a suitable building upon the capital grounds, that is according to Architect Andrews. This reminds us of the fact that a gentleman once had a lot 50 feet wide, upon which he wanted to erect a house. The architect employed told him he could not do it, that the lot was not big enough. The gentleman very quietly remarked, "Very well, I will get an architect that can." Moral obvious.

FRANKFORT, JULY 23, 1904

THE LESSON OF ILLINOIS.

"Graft knows no politics," writes Lincoln Steffens in the August No. Clure's, and he then proceeds to prove his case by finding a parallel for Democratic Missouri, whose conditions he last discussed in his series of articles on "Enemies of the Republic," in Republican Illinois. As in Missouri, the movement toward self-government began in the effort of its largest city to free itself from the rule of special interests.

After an eight years' political war the Republican party of Illinois, the ruling party, has been brought to represent the people. As in Missouri, the people's struggle for independence was led by the prosecuting attorney of St. Louis, Joseph W. Folk, in a contest for the Democratic nomination for Governor, so in Illinois the triumph for public opinion and public interest has come in the nomination for Governor of Charles S. Dineen, the prosecuting attorney of Chicago, by the Republicans of Illinois.

The story of this eight years' war, as told by Mr. Steffens, is a real story full of interesting incident and significance. The most important concrete case which Mr. Steffens uses to illustrate his article, is the fight for and against traction for the city of Chicago in the Illinois legislature. The complete repudiation of the political ring which had furthered special interests and blocked government for the people, came in the Republican State Convention of this summer, which is described.

Mr. Steffens drives home clearly and forcibly a number of important lessons in telling the story of this war for political independence. "Political corruption," he writes, "is a force by which representative democracy is transformed into an oligarchy representative of special interests, and the medium of the revolution is the party. So any movement towards practical reform must recognize and deal with parties. Whichever party is in power is the grafter's party, so must the reformer make it his also, if he would achieve practical reform. In this story of Illinois, as in Missouri, we have the fighting done within the party, and that is right. For parties do rule us, and if American citizens will 'stick to party,' then it is important for all of us to know what each decides within himself to represent, all of us or a few of us, the common interests which ask for nothing but law, order and fair play, and pay for these in taxes that sustain the State; or those special interests which seek special favors and pay for them in bribes which corrupt the State.

More important even than this conclusion, Mr. Steffens points out that "Municipal reform, all by itself, is impossible. City government and State government are of one sovereignty, and, as for corruption, the city and the State are in one system and the city man and the up-state man have to work together to get what each needs."

This is the lesson that both Missouri and Illinois have had to learn, and its learning bespeaks better conditions for both city and State.

Lost Reason After LaGrippe.

Daughter Had Frequent Spasms.

Dr. Miles' Nervine Cured Them Both.

Dr. Miles' Nervine is a specific for nervous disorders. It removes the cause and effects a speedy and permanent cure. "I feel it my duty to let you know that your medicine has cured my little girl of nine, of spasms. She commenced having them at the age of three. Our family doctor said she would outgrow them but she did not. We took her to another physician who said her trouble was epileptic fits in a mild form. He did her no good either. She was so nervous she could hardly walk. As I had already used Dr. Miles' Nervine and found it a good remedy for myself I commenced giving it to my child. I gave her in all ten bottles of the Nervine and one of the Blood Purifier. That was over two years ago and she has not had an attack since we commenced the treatment. She is no longer troubled with nervousness and we consider her permanently cured. I enclose her picture. My mother-in-law lost her reason and was insane for three months from the effects of LaGrippe. Six bottles of Dr. Miles' Nervine cured her. My sister has also taken it for her headache. We are good readers. We all thank you very much for your good medicine and kind advice. I don't think there is any other medicine half so good. I send my daughter's photograph so that you may see what a sweet little girl lives out in Arkansas."—Mrs. HANNAH BAKER, Springfield, Ark.

PROMINENT GENTLEMAN DISAPPEARS.

The following dispatch appeared in the Louisville Evening Post of Tuesday:

Lexington, Ky., July 19.—Local detectives have been instructed to watch out for the Hon. J. R. Adams, of Clarksburg, Va., who has disappeared. Mr. Adams, who is seventy-six years of age, and an uncle of Rev. M. B. Adams, of Frankfort, went to Springfield, O., to visit relatives, and left that city on July 5, en route to Frankfort. When last heard from he had reached Cincinnati and had taken the train for Lexington. He was known to have had considerable money on his person when he disappeared.

In addition we may say that Mr. Adams left the train at Georgetown to obtain a lunch. It is feared that when he paid for his lunch he was seen to have money and that he was followed and made way with. His two sons-in-law and Rev. M. B. Adams are doing all they can to ascertain his whereabouts.

DAMAGE DONE BY BIG STORM.

Paris, Ky., July 20.—Bourbon county was visited by a heavy wind and rainstorm yesterday afternoon at 4 o'clock.

The wires of both the East Tennessee and Bourbon Home Telephone companies were blown and twisted together, many poles being blown down, hundreds of trees uprooted and one giant oak being lifted in the air and blown over both sets of wires, the butt resting over the Bourbon Home and the top branches over the East Tennessee wires, allowing wagons to pass under.

Rain fell in torrents, shocks of wheat and hay stacks floating in temporary lakes made in the meadows from the deluge of rain. The path of the storm was about 100 feet wide, and fortunately no house or living thing was in its path.

ANOTHER TESTIMONIAL.

We give below another testimonial of affection from one who knew and loved our departed friend:

Petersburg, Va., July 18, 1904.

Editor Roundabout:

My Dear Sir and Brother—As I unfold your ever welcome paper this morning my heart is deeply pained and saddened at the announcement of the death of Bro. Darsie. I can hardly believe that it is true. He was so full of health and fine enthusiasm that he seemed to have a lease on a long, happy and useful life. In his death I have lost a warm personal friend. The sorrow of Frankfort is my sorrow. What a noble, earnest man he was. How hopeful he was, always looking for the good in men and always finding it. I shall never forget his warm fellowship in the great B. Fay Mills meetings. There we worked and prayed side by side. He and I were often in the same house at the same time looking after those who had expressed an interest in salvation. In every place and on all occasions I always found him a large-hearted, sympathizing Christian brother. He believed in the triumph of righteousness and loved his fellow men. He made it easier for men to believe in goodness and to serve his Master. He was an encouragement and an inspiration to all his Christian brethren and a pillar of strength in dear old Frankfort. We shall miss him greatly. May the Lord of all grace comfort the bereaved and bless his memory to the good of all our hearts.

Yours in sympathy,

W. C. TAYLOR.

RESOLUTIONS OF RESPECT.

At a called meeting of Joseph H. Lewis Chapter, U. D. C., Saturday, July 9, at the home of Mrs. E. L. Samuel, Frankfort, Ky., the following resolutions of respect were offered to the memory of the late Gen. Joseph H. Lewis:

Whereas, God in His infinite love and mercy, has called from our midst our beloved friend, Gen. Joseph H. Lewis (born October 24, 1824, died July 6, 1904), to join the ranks of the vast host of comrades who have tented beyond the river; therefore, be it

Resolved, That in the death of our beloved commander, Gen. Joseph H. Lewis, for whom our Chapter was named, we have lost a true friend; a loyal sympathizer; a Christian companion, a faithful citizen soldier.

Resolved, That we, as a band of Daughters, render this expression of regard and condolence with griefed hearts, feeling that in the passing of Gen. Joseph H. Lewis, this Chapter has suffered the loss of a tried and true friend "to a cause that's lost," but forever fearless in the bosom of a deathless memory.

Resolved, That we tender to his bereaved family our assurance of mingled sorrow and respect, and that a copy of these resolutions be rendered them, and spread upon the minutes of our Chapter, also to be published in our local papers, the Louisville Courier-Journal, Confederate Veteran, "Lost Cause" and Glasgow Times.

Yet planted deep within these hearts of ours,

MEMORIAL RESOLUTIONS.

At a meeting of the Board of Officers of the Christian Church at Frankfort, Ky., held July 12, 1904, for the purpose of taking action on the death of its minister, George Darsie, the following resolutions were adopted:

Resolved, That in the death of our beloved pastor, we recognize our congregation has suffered an irreparable loss.

Through years of unrelenting toil, he was to all alike a helper and teacher; and to those in affliction, with singular patience and sweetness, he gave from his abundance all that human love and sympathy could offer. Identifying himself with this church, as pastor in September, 1879, it may be said that its progress, the cohesion of its membership, whatever of broadness and liberality of Christian spirit it may possess, and its standing and usefulness as a church are the fruits of his earnest and unselfish labor.

Not only was he a live, progressive preacher, a man of broad learning and culture, a man whose record and attainments were a source of constant pride to us, but, in his every day life, he was a model of the consecrated Christian gentleman. The touch of his hand and his approving smile were an inspiration.

We feel that we can safely say that there was no member of his congregation, scarcely a citizen who came in contact with him, who was not made stronger, and better for having known him.

To the dear wife, who is bereft, we tender our deepest sympathy. We offer our prayers that she may be sustained and made able to endure with courage and resignation the most unspeakable affliction that could have befallen her; and to the remaining devoted members of the family, we tender our sincere love and sympathy.

To our congregation, whose loss is so great, we commend his life as an example; and, as we are sure he would have us do, direct them for consolation to him who doeth all things well.

Resolved, That these resolutions be spread at large on the church record, and that a copy be furnished the family and the press.

SURVEY COMPLETED.

The survey for the Frankfort and Versailles Traction line, down the Glen's Creek Valley, across the river at the mouth of Glen's creek, thence into the city by Cedar Run and the Lawrenceburg pike, was completed this week.

The survey had already been made down the old Versailles pike. Now let the company decide which route they will build and go to work. More work and not so much hot air.

KNOW WHEN THEY HAVE A GOOD THING.

The Madison (Ind.) Chautauqua know when they have a good thing. The Frankfort Cornet Band furnished them music before, and now they have engaged our boys for this year. The Chautauqua will be given early in August.

PRIMARY ORDERED.

The Democratic Congressional Committee, for the 8th Congressional District, met at Shelbyville, on Thursday, and ordered a primary election to be held on October 2d, for the nomination of a candidate for Congress. As October 2d is Sunday, we guess there will have to be a change in the date.

Col. Dan L. Moore, Mr. Harrey Helm and Congressman G. G. Gilbert will all enter the list.

APPOINTMENTS.

The Governor has appointed Hon. I. H. Thurman, of Springfield, to be Circuit Judge, to fill the vacancy in the Lebanon District caused by the death of Judge Chas. Patterson.

Col. Geo. V. Triplett, of Owensboro, has been appointed County Judge of Daviess county, to fill the vacancy caused by the death of Judge Haskins.

AWARDED HIGH HONORS.

Rev. Dr. J. McCluskey Blayne has received information that his son, Prof. T. Lindsey Blayne (who has recently been elected to a Professorship in Central University, at Danville), has had the honorable degree of Doctor of Philosophy conferred upon him by Heidelberg University, Germany. Prof. Blayne has been a student of that University for several years.

LOTS MORE LIKE IT.

Plenty More Proof Like This, and all from Frankfort People.

No chance for argument here. No better proof can be had. What a Frankfort man says is the best of evidence for Frankfort people.

Read this case. We have lots more like it. Coleman Carr, Junior, at the State House, residence 441 Main street, says: "I received great benefit from the use of Doan's Kidney Pills. For a long time I was embarrassed during the day and annoyed at night by the too frequent action of the kidney secretions. The doctor pronounced my trouble diabetes, and although he treated me was unable to get permanent relief. By a friend I was induced to try Doan's Pills and got a box at J. W. Gayle's drug store. On taking them only a short time I felt great improvement, and finally the whole trouble was removed. I also used Doan's Ointment for Eczema which I had for a long time on one of my legs about the shin. The constant irritation at times most drove me wild. Despite the use of preparation after preparation nothing helped me until by good fortune I heard of Doan's Ointment and procured a box. This remedy gave me quick and positive relief, and proved satisfactory in every respect."

You can easily satisfy yourself that this is so, and that you will obtain perfect satisfaction in every detail.

The reputation we have established for good work and fair dealing under the firm name of the Sellar Carriage Co. (founded by our Mr. Yeoman and the late Henry Heimiller, Esq., in 1876), we shall fully maintain, in the several departments of carriage building. Our repair and repainting departments are fully equipped, and we wish to say to our friends, should they favor us with their business, they are assured of getting the best work possible.

STAMPING GROUND.

Dr. A. Stewart has been in Cincinnati for several days having his eyes treated by a specialist.

A worthy colored man by the name of John Lightburn, 75 years of age, died on Saturday, after a long illness.

Miss Annie Manford, of Frankfort, spent Sunday with her sister Mrs. C. T. Duvall, near here.

Mrs. Annie Wilkerson, of Holland, Texas, is the guest of her mother, Mrs. Frances Bond.

Mr. R. S. Sprake has as his guest Mr. J. B. Sprake and wife of De Land, Fla.

Died—Mr. James Duvall, a deaf mute, aged 55 years, died at his home on the Elmville pike. The burying took place at the Johnson graveyard, on the Long Lick pike.

We are needing a good rain very much. May 29th was the last time we had a good rain.

It has been very hot this week.

LAMP EXPLODES.

At 6 o'clock, on Thursday afternoon, an alarm from box 33, called the fire boys to the office of Dr. E. N. Offutt, colored. It was found that the office boy was filling a lamp with coal oil when it exploded. The boy became panic stricken, after throwing a bucket of water on the oil, which only spread it out the more.

A passerby ran in and threw a rug over the burning lamp and then threw it out of the door.

The firemen did not have to throw water.

Y. M. I. PICNIC.

On August 9th Lambert Young Council, Y. M. I. No. 616, will give a picnic at Cove Spring Park. All the necessary arrangements have been completed by the committee in charge. They are desirous of making this the largest and most successful outing given in this section of the country. The Frankfort brass band and orchestra has been engaged to furnish the music.

An elaborate display of fire works has been secured.

Build up the system; puts pure, rich blood in the veins; makes men and women strong and healthy. Burdock Blood Bitters. At any drug store.

DESTRUCTIVE CYCLONE AND WATER SPOUT.

Mr. Adam K. Stephens, a former Frankfort boy, but now living at Upper Nyack, N. Y., has sent us a copy of the Nyack Star, in which is an account of a destructive cyclone and water spout which played the wilds with everything in its course. The storm occurred on Saturday afternoon last, and inflicted tremendous damage. Mr. Stephens and his family escaped unscathed.

IMPROVING NICELY.

The ladies of the Civic League, after an inspection of the city, request us to say that in the line of cleanliness the city is improving. There is ground for more in that way.

The gutter, on the south side of Main street, from Ann to Washington, needs attention. The filth is allowed to remain too long. And then the unspeakable chicken coops are out again. They should be abolished from the streets, so carries the League, and we all agree.

ELECTED TRUSTEE.

This is an admirable selection. Miss Powell does everything she does very well.

GOOD SPIRITS.

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver or the humors of the blood. It cures it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists.

"DO IT TO-DAY."

The time-worn injunction, "Never put off 'till to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if deep consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. Buy trial bottles, 25c; regular size, 75c. At all druggists.
